## The Kinyo NP03 is designed for use on no-pack newspaper presses requiring reduced feed characteristics

### The NP03 features:

- Dual closed cell compressible layers deliver reduced feeding characteristics for greater tension control.
- High tensile strength fabrics and stabilized carcass deliver more time on press.
- Designed to run on deck type presses and tower presses that require reduced feed.
- Ground rubber surface for maximum ink transfer.
- Easier cleanup for reduced paper linting and piling.
